

Inspire Ignite Inspiration Sessions 'Personal Impact' Workshops

Our leadership & management inspiration sessions are designed to inspire passion and ignite action towards 'making it real' & applying learning in reality. We won't hit you with endless models and theories. We'll have fun, create a great learning environment & make a difference to the performance of your people & teams!

Session Topic	Who's it for	Session Overview
'Discovering Brand, YOU'	Those who want to boost their self-confidence and increase their personal impact on others.	In this one-day workshop we'll help you to get confident in 'brand you' and focus on building your strengths. You'll have the chance to consider the styles and perceptions that you might need to build your awareness of and how to tackle situations that you may not feel quite so confident in.
'Impact and Influence – The WOW factor'	Anyone who would like to learn useful tips and strategies to achieve the outcomes they want & need.	This one-day workshop will help you to understand the importance of great influencing and impact. We'll explore how your 'natural' behaviours are formed and how you can 'choose' to flex and adapt those outcomes for personal, team and business success.
'It's the Response you get – Great Communication'	Those looking to develop an awareness of their personal communication style and how to engage others effectively.	In this one-day workshop we'll explore how to deliver clear and effective messages that everyone understands. You'll have the chance to build your questioning and listening skills and also identify how to deliver and receive effective feedback.
'Mentoring Masterclass'	More experienced team members, managers & leaders wishing to take on the role of a mentor.	In this one-day session we'll identify what mentoring is and how it contributes to team and organisational development. You'll get clarity on how mentoring differs from other forms of development, such as coaching and training, discuss how to get started, share hints and tips for doing it well and tracking and evaluating success.
'Building a Feedback and Coaching Culture'	Managers & leaders who wish to build a feedback & coaching culture in their teams.	In this one-day workshop, we'll explore what a feedback and coaching culture really is and how we all play a role in building it. You'll explore simple and easy to use feedback & coaching frameworks and get some top tips to making them a key element of your teams work approach.
'Enhancing your Personal Effectiveness'	Anyone wishing to maximise not just their time, but also their energy!	This one-day workshop will offer some useful strategies to manage your time more effectively and prioritise the tasks that you need to achieve. You'll get focused on your priorities and challenge yourself to build new habits that will maximise the time that you spend in the 'performance zone'.
'Presenting with Impact'	Those who need to deliver clear messages and have an awesome impact through presentations.	In this 2-part programme you'll explore what makes a great presentation. You'll get the chance to structure a presentation effectively and also identify and practice some of the techniques that the best presenters use. You'll enhance the impact that your presentations have on others.

COACHING • TALENT • TRAINING

'Be the Coach'	This one is for more experienced team members who have the potential to 'coach' others the same level.	In this one-day session, attendees will get to grips with what REAL coaching is and how it's a critical technique to unlock the potential of other team members. Coaching builds ownership and accountability in great performance and enables team members to develop their own careers, perform better and reduce the 'management' culture.
'Awesome Customer Impact'	Customer facing team members with over the phone, online or face to face interaction.	Customer service training has moved on. Customers are no longer convinced by 'smiling when you dial!'. This one-day workshop will explore techniques to build real and genuine customer connections and quickly identify what they need and the best way to deliver it in a short period of time.
'Energise for Effectiveness'	Teams where an injection of energy and positivity are needed.	Have you ever met with your team or boss feeling tired, disengaged or lazy, but left with a spring in your step, your sights set on new goals? Energy is contagious! Reduce the 'down days' and build on your positive energy to inspire everyone that you come into contact with this one-day workshop.
'Breakthrough Thinking'	Team members involved in projects who want to develop their ability to solve personal, team & business challenges.	Making better decisions is all about balance. It's about understanding our decision-making styles, overcoming what can often catch us out and applying a mix of creative & practical techniques. In this one-day workshop, we'll explore some top tips to get your personal, team and business challenges resolved effectively.
'Stepping Up'	For team members who have the potential to become team leaders or first line managers of the future.	Making the transition from team member to first line manager can be tricky and downright scary! In this 2-day workshop, we'll identify some core principles and competencies and offer some tools and techniques to help team members to make the step.
